We recommend you join us for a free wedding bar consultation

Our standard pricing is below, but we know you want to be confident in a supplier for your wedding day.

We can provide the best service by understanding you and your plans for your special day.

We can do this either with you or your wedding planner if you'd prefer.

You can do this with us on Zoom, Teams, WhatsApp, Facetime or by phone.

You can book a free consultation for a time that suits you on our website

<http://www.bostonandhawthorne.co.uk/book>

By understanding who you both are, we can personalise your menu together.

This means understanding your values, venue, guests and budget.

Whether you're covering the bill or you are just looking for a cash bar, we personalise all our menus to you, including:

- named cocktails and your choice of cocktails
- your choice of draught beer, cider and ales
- your choice of wine menu and/or table wines
- Plus, any additional special requests, you may have.

What does a consultation cover?

- Date, times, venue, number of guests, have a wedding planner?
- Your wedding theme, colours, flowers
- Is there a dress code for any staff on the day? Black tie? Festival Chic?
- What's the budget? Are you looking to cover any of the bill or just have a cash bar?
- Who are the happy couple? What do they like? Favourite drinks?
- Personalise the menu – no final decisions yet, don't worry. Get an idea of what your menu could look like, would you like us to come to you for a menu tasting, want to taste your wedding wines in advance?
- Would you like any additional packages? Arrival drinks? Pimms or fizz stations? Drink or cocktail tokens? Drinks for the speeches/toasts?
- Any questions? Any other suppliers you need to find? Anything we can help with to make your special day worry free?
- We can usually quote you a price straight away.

Then it's down to you to decide if we are the right people to look after you both, your family and friends on the biggest day of your life.

Pricing, Deposits and Booking Fees

Secure your date with a **deposit of just £350**.

Depending on the bar spend, you may have nothing to pay at all and we might be refunding all of your deposit/booking fee back to you!

Booking fees

<u>Bar Spend</u>	<u>Booking Fee</u>	<u>Deposit We'll Refund</u>
<u>Over £2,100</u>	£0	£350
<u>£1800-£2100</u>	£55	£295
<u>£1500-£1800</u>	£110	£240
<u>£1100-£1500</u>	£150	£200
<u>£0-£1100</u>	£175	£175

Minimum Spends

Minimum spends aren't what we charge you. They are what the bar spend needs to be by the end of the night. The minimum they will be is £800.

They are agreed depending on the number of guests and how many staff are required to provide the services. Some examples are:

- 50 guests, cash bar - £800 or £16pp
- 100 guests, cash bar - £1,100 or £11pp
- 100 guests, cash bar, table wine - £1,100 or £11pp
- 100 guests, cash bar, table wine, 100 cocktails, arrival drinks - £1,900 or £19pp.

Our minimum spends for weddings start at £11pp or about 2 drinks each. To put your mind at ease, we've never had an issue with any couples wedding not reaching the minimum spend.

If you didn't quite reach the minimum spend, you pay 70% of the difference, e.g. £200 away, would be £140 to cover the balance.

Your booking fee goes towards things like licencing the bar, event insurances to protect you, your guests and us, travel to and from your wedding, setting up and taking down the bar and any time we need to work on your event in the background before the big day! You wouldn't want us turning up unprepared now, would you?

If the bar spend reaches £2,100, we can cover that bit, so we can refund your deposit or put it towards any open tabs or additional packages you've requested.

Potentially money you can spend on something else for your big day.

Packages

We've tried to keep it simple, but this covers everything you may need. If it's easier, tell us what you'd like and we can tell you which package would be the best fit.

Whether you'd just like a cash bar, or something more bespoke, you'll find plenty of starting points below.

Please let us know if you would like to customise any package differently or further.

“The Cash Bar”

Personalise your menu with bespoke cocktails, mocktails, wine, draught and ale.

We'll serve the drinks, like a traditional bar; your guests pay as they go, or you can cover their 1st drink, some or all of the bill, it's up to you!

Free use of our glassware, for weddings up to 100 guests.

Any additional packages, like arrival drinks, can be personalised to you.

Booking fee free, for bar spends over £2,100.

Minimum drinks spend from £800 or £11pp, (around 2 drinks each).

Bar Tabs/Open Bars

Everything from the cash bar plus:

*Get 5%-10% extra on a tab with a capped spend. Choose your budget and we'll top it up.

£500-£999 get an extra 5%, £1000 to £1500 get an extra 7.5%, £2000+ get an extra 10%.

How to make the most of your budget?

We can restrict their choice e.g. just draught beers/ales/175ml wines/25ml house spirits and we'll top up your tab with extra cash for more drinks.

*(Cannot be used in conjunction with fixed price drinks tokens, as they are already discounted.)

Drinks Tokens

Everything from the cash bar plus:

£6 or £8 tokens

£6 tokens – charged at £6 or lower if item is less than £6

Our **£6 drinks tokens** cover a traditional bar service, draught beers, Pimm's, 175ml house wines and fizz are discounted to £6, anything under £6 is charged at list price, e.g.

25ml House Spirit Mixers are charged at £5

Soft drinks at £2.50 etc

2 drinks for 100 people would cost £1200, meaning you either come in under budget with what is ordered, or we can reissue extra drinks tokens once everyone has used their first 2 tokens to use up your budget. The bar would then revert to a cash bar for the rest of the event.

£8 tokens

Our **£8 drinks tokens** cover cocktails and 50ml house spirit mixers. Everything else is charged at £6 token price or lower is the list price is lower than £6.

Pre-Built Packages

Pre-built packages are built for adult guests, usually with seated dining. They may only be applicable to daytime guests, let us know your running order and what you'd like, and we can get a bespoke quote for you.

You may find our additional packages work well for your evening guestlist.
